Starla Terry

Landowners Names: Bruce and Starla Terry

Address: 156 Ceres Hill Road, Chehalis, WA 98532

Parcel Number: 019479001000

On November 24, 2014 I received a phone call from Starla Terry on concerns with her home now and when it falls into the Chehalis River if nothing is done to protect the family residence. She has been informed that when the home is taken by the river she will be required to pay for the removal of the dwelling. She and her husband are senior citizens and do not have any funds to pay the clean-up effort. She has requested any technical or financial assistance that is available to help with the situation.
