

WEST CONSULTANTS on behalf of the
CHEHALIS RIVER BASIN FLOOD AUTHORITY
PERMIT OF ENTRY

Gerry and Connie Jennings (Owner) owner of certain real property located at 419 Cougar Smith Road, Montesano, Washington, 98563 (Property), does hereby grant a permit of entry over the portions of the Property specifically described as: fifty feet east of the SE corner of one-lane bridge over the West Fork Satsop River, to a point no greater than one hundred feet south, parallel with said river, to a point approximately fifty feet west to the river bank, (as per map, Attachment A) to Chehalis River Basin Flood Authority (Authority), its employees, agents, and contractor(s), for ingress and egress on the Property for the purpose of installing, operating and maintaining a stream gauging station (Station).

The permitted activities under this Permit of Entry shall include but are not limited to: installing, maintaining, repairing, replacing and operating a Station. Authority shall own and maintain the Station.

This Permit shall be effective starting 5/04/11 and shall remain in effect until Owner or Authority terminates the Permit. Owner may terminate the Permit and require Authority to remove the Station by providing Authority sixty (60) days advance written notice of termination.

Authority and its employees, agents and contractor(s), performing work under contract for Authority, agree to be mindful of personal property, trees, bushes and fences and will try to prevent loss or destruction of the same.
