Agenda :

1. G&O Updates
2. Cathi Read Updates
3. Eric's Moments

G&O Updates:

Jay spoke briefly about stimulus funding April 17<sup>th</sup> is deadline and we should know by May 1 if we can or will get any help..

Some of the fast track projects are

1. PS 11 & 1 in Raymond 1 project
2. Removal of Sludge biosolids
3. River crossing
4. South Bend PS #3
5. Conveyance for from PS 1 to PS 2 to PS3

Tech Memo #15:

This Tech memo Covers Raymond PS #1 which serves the riverdale area north of the willapa river. This PS collects all wastewater including flows upstream from PS#2. This flow does not use the river crossing..

John D spoke of the SCADA system and Gave G&O some ideas. More to come in May on this and John D has been asked to help with this.

Also was talked about warranties of pump stations and especially PS#3

Tech Memo #15 is on file with the secretary of the RWCC

Tech Memo #16:

Discusses Raymond PS#11 No discussion at this time as Cosmopolitan will present this Memo at the next Meeting

The Crossing: Tom Zerkel

Spoke about the dynamics of maybe changing pipe to a 20 inch rather than an 18

We will get more info as it becomes available as 20 inch as a thicker inside diameter and this may be needed for the crossing

Tech Memo #17;

Discusses South Bend Conveyance for the Regional WWTP

Janet Cherry Rolled out the Big Map and we discussed routes proposed routes bad spots good spots

The secretary of the RWCC has a copy of Tech Memo#17 on file
