-
1. IDEAS FOR THE RWCC BYLAWS

This was tabled until the next Meeting on November 20th Raymond City Hall. Dean will Get some info on this matter to Eric

2. G&O MILESTONE UPDATES

Jay From G&O Discussed Tech Memo #2 which was about using an 18" pressure line under the river rather than a 20". Was also discussed about once a day purging the line to help keep it clean

Tech Memo #3 was presented by Doug Welch from G&O

Mostly talked about head pressures and flows please refer to Tech memo# 3

Tech Memo# 4 was Presented by Doug Welch from G&O

Talked a lot about the lime treatment of 600 lbs making 1700 lbs a day of class A materials needing to be Hauled to other locations. We discussed places to haul the material the safety and the environmental issues with the Waste. Something to due with FKC

3. THE FIELD TRIP:

Discussion of the tour to the Sumner and Puyallup treatment plants weighing all the pros and cons.

4. CATHI READ UPDATES:

Nothing much New was some discussions about applying and reapplying. Talk or write anyone we can after the elections and pray

5. LETTERHEAD

Mine wasn't liked and I was hurt.....Will be discussed again next meeting.....
