

# FEMA hosting open house on proposed North Shore Levee Project

---

The Federal Emergency Management Agency (FEMA) is asking for public input under the National Environmental Policy Act (NEPA) on the proposed North Shore Levee project in the cities of Hoquiam and Aberdeen. The purpose of the project is to reduce flood damage in both cities. Funding for this project would be provided through the [Building Resilient Infrastructure and Communities \(BRIC\)](#) and [Pre- Disaster Mitigation \(PDM\)](#) Programs.

People can provide comment in person and hear from FEMA subject matter experts on the proposed project.

**DATE:** Tuesday, November 14, 2023

**TIME:** 4 p.m. to 6 p.m.

**WHERE:** The Rotary Log Pavilion, 1401 Sargent Blvd., Aberdeen, WA 98520

FEMA will be accepting comments under the National Environmental Policy Act (NEPA) about the proposed project until December 21<sup>st</sup>, 2023. To learn more, please visit the [North Shore Levee Project page](#). Additional information about the project will also be available in [a virtual meeting room](#) during the scoping period.
