**NOTICE TO APPLICANT**

This permit becomes null and void if the work or construction authorized is not commenced within one year or if work construction is suspended or abandoned for one year at any time after work is commenced or if work is not completed within one year from date of issue.

All work shall be done in accord with the approved plans except where such approval is in conflict with other codes. The approved plans shall not be changed or modified without the prior approval of the Building Official.

It is the responsibility of the permittee to obtain the required inspections. Failure to notify this department that the work is ready for inspection may necessitate the removal of some of the construction material at the owners expense in order to perform such inspection.
