Hello All,

Please find the agenda below for this next Align meeting at Department of Ecology, Room Ecology: 2B-18. We will have a busy morning and some great topics, so we hope you will join us.

9:00 am - FundFinder Update from Scott Boettcher and Chantell Krider (homework assignment to come up with a new name to represent additional programs).

10:00 am – Ecology’s new project mapping tool – Shelly McMurry or Pat Brommer

10:20 am -Portfolio project discussion if Suzanna and Paul can lead discussion

10:45 am – Salmon Recovery LEAN project recommendations – update from Tara

11:15 am – Project list and budget updates, round table

11:45 – Next agenda development – January’s meeting will focus on our A-3, and meeting schedule for 2019

Let me know if you have any questions or anything to add.

Thanks, Tara
