

# Public Meetings on May 28th and 29th

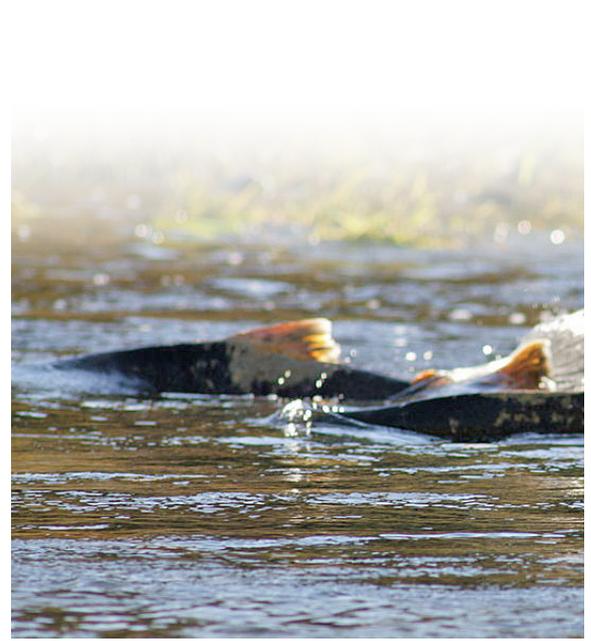

## Chehalis Basin Strategy: Reducing Flood Damage and Enhancing Aquatic Species

**Wednesday, May 28th from 4–9 PM, Chehalis Veterans Memorial Museum, 100 SW Veterans Way, Chehalis, WA 98532**

**Thursday, May 29th from 4–9 PM, Montesano City Hall, 112 N Main Street, Montesano, WA 98563**

The purpose of these meetings is to provide an opportunity for members of the general public to learn more about the work completed thus far for the *Chehalis Basin Strategy: Reducing Flood Damage and Enhancing Aquatic Species*.

A formal presentation will be provided each evening by Jim Kramer (Project Manager) from 6:30–7:45 PM, including time for Q&A.

Informational stations will be set up from 4–6:30 PM and 7:45–9 PM for attendees to learn more about specific elements of the work being done related to:

- Flooding in the Chehalis Basin
- A Potential Water Retention Structure
- Aquatic Species Enhancement
- Local Flood Reduction Projects
- Alternatives to Protect I-5
- Assessment of Local Floodplain Management Programs
