

*City of Chehalis & Port of Chehalis*

# **CHEHALIS FLOOD STRATEGY & INVESTMENT PLAN**

## **PROJECT PURPOSE**

Create a joint local FSIP for key locations with the City of Chehalis and Port of Chehalis.

## **PROJECT GOAL**

Reduce and manage flooding risk by outlining recommended strategies for implementing resilient and sustainable management options.

Scan the QR Code to visit the project website and learn more about the project!

This project is brought to you by the City of Chehalis, Port of Chehalis, and Chehalis River Basin Flood Authority, and as part of the larger Chehalis Basin Strategy. Together, we aim to reduce the risk of future flooding that has previously impacted our communities.
