

Dear Senators, Representatives, Legislative Staff and Interested Citizens you are invited to:

A Presentation and Update on the Chehalis Basin Flood Damage Reduction and Fisheries Enhancement

Wednesday - February 26, 2014

Noon-1PM

Senate Hearing Room 3

Leaders from the Chehalis Basin invite you to share lunch (box lunch will be provided) and hear our vision for a pathway forward to reduce flood damage and enhance the Basin's natural resources. We will explain the important investments we envision will lead to flood damage reduction, healthier ecosystem, and more reliable transportation routes for future generations.

Present will be representatives from the Chehalis Basin Flood Authority, Cities, Counties, The Chehalis Tribe, farmers.

Please RSVP to Jim Kramer, Facilitator for the Chehalis Work Group at jkramer.consulting@gmail.com

Invitation Committee:

David Burnett, Chair, The Chehalis Tribe
Vickie Raines, Chair, Chehalis Basin Flood Authority
Karen Valenzuela, Vice Chair Flood Authority
J. Vander Stoep, Representative Flood Authority
Jay Gordon, Washington State Dairy Federation
Jim Kramer, Facilitator for Chehalis Work Group
