

## **Upcoming Meeting**

### Administering Floodplain Regulations

The Chehalis River Basin Flood Authority is sponsoring a workshop for member communities on administering floodplain regulations. It will be 8:30 – 12:30, Wednesday, March 29, at the Elma Fire Hall, 112 N. 2<sup>nd</sup> Street, Elma.

The workshop will review the basic requirements of the National Flood Insurance Program and the Department of Ecology as well as the improved standards adopted recently by several communities. It will include regulatory standards, recommended procedures, and example forms and records. We will have copies of references for each community. The workshop will be appropriate for permit staff and elected officials. There is no fee.

If you are interested, please advise French Wetmore at [French@FrenchAsoc.com](mailto:French@FrenchAsoc.com) so you can be on the mailing list.
