Subject: Chehalis Enhancement Projects Phase 1 Report

Lara, the Phase 1 Report of the Chehalis River Mainstem and Tributaries Comprehensive Salmon Habitat Enhancement Plan is ready for distribution to the Flood Authority stakeholders. The Phase 1 Report locates, lists, and briefly describes enhancement projects in WRIA 23. Phase 2 will prioritize these projects on an ecological basis for stakeholder use and will be available in early April. The Phase 1 report is located on the Anchor QEA SharePoint site. Directions to download the report are below. Please distribute the below directions through Pat Anderson's stakeholder email list.

Click on below link to go to Anchor QEA SharePoint Site.
