Welcome and Agenda Overview

• Quick overview of the agenda – Introductions

  o Roadmap: Concerns regarding cutting too much of the document - Action: ORIA will work with SBLT members & center for business and innovation to determine the customer needs. Remember purpose of the roadmap is to provide more of a quick checklist to introduce customers to businesses

  o Performance Measures: We should track our performance measures. Are there statistics regarding whether SBLT is doing better, worse, or no impact?

    ▪ Action: Add metrics to Outreach plan for 2017; if no data currently available, research location of information
• **BizFair – Outreach Materials:** ORIA is attending the BizFair on Saturday. ORIA will have a table and a lot of materials; so there will not be a lot of space, but can put a few outreach materials out. Let ORIA know by Friday if you have materials for ORIA to bring for your agency.

**Calendar of Events – Updates to the calendar**

**Rachael Lindstedt, Office for Regulatory Innovation and Assistance**

- Presented on the Calendar of Events for Small Businesses.
  - For the month of September there is one event listed: the Washington Small Business Fair\(^{a}\) in Renton. If you are interested in attending, please contact Kari Gilje, Small Business Liaison with the Internal Revenue Service at kari.s.gilje@irs.gov.
  - There are no events listed in the month of October.

- **Recommendation:** As there does not appear to be many additions to the calendar and there are still a lot of questions regarding the purpose of the calendar – next year re-define or re-evaluate the Calendar of Events.

- **Reminder:** The events listed on this calendar should only be public events for small businesses to allow SBLT members to better coordinate their outreach efforts. Please visit the Small Business Events Calendar\(^{b}\) to review any upcoming events and let ORIA know (send to help@oria.wa.gov) if there are any missing events or if your agency is attending an event not currently listed as an attendee.
