## Quad County RTPO ADA Policy

### ADA Policy Introduction

The Americans with Disabilities Act (ADA) is a federal civil rights law that prohibits discrimination against people with disabilities in everyday activities. The ADA prohibits discrimination on the basis of disability just as other civil rights laws prohibit discrimination on the basis of race, color, sex, national origin, age, and religion. The ADA guarantees that people with disabilities have the same opportunities as everyone else to enjoy employment opportunities, purchase goods and services, and participate in state and local government.

Title VI requires that no person shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or other activity for which QUADCO receives federal financial assistance. For additional information regarding a subrecipient's Title VI obligations, a public information request form must be completed and filed with the QUADCO Title VI Coordinator.
