QUADCO Unified Planning Work Program

July 1, 2025 – June 30, 2027

INTRODUCTION

The Quad County Regional Transportation Planning Organization (QUADCO RTPO) prepares a Unified Planning Work Program (UPWP) for transportation planning activities and priorities to take place during the upcoming State Fiscal Year (SFY) Biennium. The UPWP describes planning studies and tasks to be accomplished, designates who will perform the work, identifies the final products and benefits of the planning activities, and estimates the costs for these planning activities to be completed each State Fiscal Year (SFY) (July 1 through June 30) through the Biennium.

The QUADCO RTPO Lead Agency rotates every four years. For this current UPWP, the Lead Agency, Kittitas County prepared the draft UPWP. The QUADCO Council adopts the UPWP and signs a contract with the Washington State Department of Transportation (WSDOT). This UPWP consists of the planning activities and priorities for the period of July 1, 2025 to June 30, 2027. The UPWP is revised at the start of the second State Fiscal Year (SFY) of the Biennium if necessary.

PURPOSE

The primary purpose of the QUADCO RTPO is to provide for a continuing, cooperative, and comprehensive transportation planning and decision-making process by the cities, towns, member agencies and Tribal governments within the four-county region of Adams, Grant, Kittitas, and Lincoln Counties. Through this forum, the QUADCO RTPO prepares and maintains a decision-making process for regional transportation planning which augments and supports local transportation planning programs within the individual counties and their municipalities. Geographically, QUADCO RTPO covers an area of 9,214 square miles of central and eastern Washington.

HOW THE RTPO IS FUNDED

Programs are funded primarily with federal and state formula grants as they are made available. Many local agency planning projects must be completed totally or partially "out of pocket" due to limitations in available funding.

ORGANIZATION OF QUADCO

A. QUADCO COUNCIL

The QUADCO RTPO consists of the counties, cities, towns and Tribal governments within the four-county region that are signatories to the Inter-Local Agreement, with management vested in the QUADCO Council.

QUADCO Council currently consists of 38 active elected or designated officials and representatives of the transportation planning and implementation partnerships that include federal, state, local and Tribal governments, special districts, agencies, private sectors, the general public, and interest groups within the four-county region. The QUADCO Council meets approximately four times a year, but will meet more often if necessary. The Council membership is shown in Appendix A. The Lead Agency maintains the most current contact information for membership.

QUADCO Unified Planning Work Program

July 1, 2025 – June 30, 2027

B. COMMITTEES

1. The Transportation Policy Board (TPB) is composed of 15 members with designated alternates. The Transportation Policy Board meets as often as necessary to accomplish the assigned tasks of the Council. Assigned tasks may include bylaw review, Regional Transportation Plan edits, etc.
2. The Ranking Committee is composed of 13 members. The Ranking Committee meets as often as necessary for the purpose of ranking Surface Transportation Block Grant (STBG) Transportation Alternatives Set-aside projects, UPWP projects, etc.
3. Special Committees includes the Human Services Transportation Plan Committee, referred to as the 4-County Community Transportation Planning Team, which assists the Council and serves as technical advisory professionals with regard to Human Services Transportation issues.
4. The Education Committee is composed of five members. The Education Committee meets as necessary to develop and implement public outreach, education opportunities and events.

UPWP ELEMENTS

A. ADMINISTRATIVE MANAGEMENT AND COORDINATION

The lead agency will manage and coordinate the regional transportation planning process and activities with the agencies, WSDOT, Transportation Policy Board, Selection Committee, QUADCO Council, and other committees as necessary to complete the work and business of the RTPO. This includes:

1. QUADCO Meeting Coordination and Information Distribution: Prepare and schedule all QUADCO Council, TPB and Selection Committee meetings, as well as other subcommittee work assignments as necessary. Act as a central point of contact in obtaining and distributing information pertaining to the RTPO on evolving federal and state requirements. This task also includes preparing agendas, meeting documents, meeting minutes, and coordination of QUADCO activities.
2. Transportation Partnerships: Invite and provide legislators, state, federal, local agencies, Tribal governments, and other interested transportation partners and organizations opportunities for participation in RTPO meetings. Coordinate contacts with federal, state, local agencies, Tribal governments, business, industry, and other interested parties. Encourage Tribal governments, including the Colville Confederated Tribes, Spokane Tribe of Indians, Wanapum Tribe, and Yakama Nation to engage in RTPO meetings.
3. State Representation: Attend and participate in MPO/RTPO/WSDOT Coordinating Committee meetings and other committee meetings as assigned to ensure QUADCO issues and concerns are considered.
4. Training: Attend informational and training meetings related to RTPO issues as they may become available.
5. QUADCO Document Updates: Continue to update QUADCO by-laws, inter-local agreements, committee membership list, and equipment inventories to reflect current

QUADCO Unified Planning Work Program

July 1, 2025 – June 30, 2027

practices, laws, funding requirements, etc. as needed. Provide any Title VI plan updates and reporting as required.

6. UPWP and Related Reports: Prepare and present to the Council a Unified Planning Work Program (UPWP), amendments, annual UPWP performance and expenditure report, and other agreements with WSDOT. All of these plans and reports shall be responsive to state and federal planning requirements and/or guidance.

Deliverables and Estimated Completion Dates (2025-2027)

<i>Product</i>	<i>Lead Agency</i>	<i>Timeframe</i>
QUADCO Meeting Coordination and Information Distribution: agendas, minutes, etc.	Lead Agency	on-going
Transportation Partnerships	Lead Agency	on-going
State Representation	Lead Agency	on-going
Training	Lead Agency	on-going
QUADCO Document Updates	Lead Agency	on-going
UPWP and Related Reports	Lead Agency	on-going

* Lead Agency administration expenses may not exceed 15% of total expenses without Council Approval.

B. REGIONAL TRANSPORTATION PLANNING AND GROWTH MANAGEMENT PLANNING

QUADCO is responsible for programming expenditures of selected federal funds for regionally significant transportation improvement projects. Additionally, QUADCO performs long-range transportation planning among the region's jurisdictions in accordance with RCWs and WACs. The tasks and responsibilities are as follows:

1. QUADCO Equipment Lease Program: Manage and maintain the QUADCO Purchased Equipment Rental/Lease Program. Purchased equipment includes various traffic/pedestrian counters housed, managed and maintained by selected member agencies. Assist member agencies with obtaining the equipment and downloading data for the member agencies purposes.
2. RTIP: Act as repository, compile, and submit the RTPO Six Year Transportation Improvement Program (RTIP) for member agencies. Work with member agencies to address WAC requirements for developing QUADCO's RTIP. Assist member agencies with entering information into the web-based State Transportation Improvement Program (STIP) as needed.
3. Comprehensive Plan and Countywide Planning Policy Certification: Evaluate and review comprehensive plans, their amendments, level of service standards, and county-wide planning policies to insure they reflect consistency with the Regional Transportation Plan (RTP). Comprehensive Plan elements for this review include Transportation, Land Use, and Economic Development. Both Grant County (required) and Kittitas County (opt-in) are Growth Management Act (GMA) participating counties. They conduct annual Comprehensive Plan Amendments that require reviews during the summer and fall months, depending on each jurisdiction's amendment schedule. QUADCO will participate in planning activities to assist with GMA comprehensive plan amendments and full updates.

QUADCO Unified Planning Work Program

July 1, 2025 – June 30, 2027

4. RTP: Conduct the biennial review of the RTP in SFY 2026. This may include identifying and prioritizing further planning needs for improving the sustainability of QUADCO's economic vitality and slight updates to be consistent with the Washington Transportation Plan.
5. Regional Transportation Planning Projects: Conduct planning studies or projects, consistent with the Regional Transportation Plan, to fulfill transportation planning needs significant to the QUADCO region. Transportation planning within the QUADCO region improves the sustainability of QUADCO's economic vitality. Projects will include possible solutions to issues of economic vitality, preservation, safety, mobility, environment, and stewardship and generally include:
 - a. Collection of data/information and studies specific to significant local routes and regional corridors.
 - b. The region's major market routes.
 - c. Transportation issues affecting both local and larger geographic scales.
 - d. Work promoted by a combined group of member agencies and interested parties.
 - e. Work that complements other planning and strategy development work locally, in the region, or projects being advanced and promoted by WSDOT and other agencies.
6. UPWP Projects: Prepare a call for projects in Lead Agency's final quarter of the SFY for approval at the first meeting of the next SFY.
7. Coordinated Public transit - Human Services Transportation Plan (CPT-HSTP) and Amendments: Work to review the CPT-HSTP for project list updates as necessary. Continue coordination, outreach, and measurement work with the 4-County Community Transportation Planning Team. Committee is managed by a Transportation Provider Agency, within the QUADCO area while acceptance of plan update is the responsibility of Quadco Council. The CPT-HSTP demographics and planning assumptions are updated every four years, while project lists are updated every two years. The next project update is December 1, 2026.
8. WSDOT Statewide Planning Participation: Invite, encourage, and arrange for participation in statewide priority efforts as needed to ensure regional issues and concerns are identified, and presented for inclusion to the plans. Possible projects include:
 - a. The Multimodal Planning and Data Division Planning Activities in SFY2026 to coordinate and participate in the Statewide Multimodal Transportation Plan update.
 - b. The Statewide Public Transportation Plan participation.
 - c. Provide support to member agencies to update the federal function classification designations
 - d. Develop estimates, such as percent by lane mile, for preservation and maintenance needs and planned spending of pavement and bridge over 10 years on the National Highway System (NHS) to support updates to the Transportation Asset Management Plan.
9. Regional Transportation Planning Organization Website Information: QUADCO is committed to providing access to public documents. QUADCO website coordination and

July 1, 2025 – June 30, 2027

management. This current website link is:
https://www.ezview.wa.gov/site/alias_1898/36282/default.aspx

10. Long Range Transportation Plan: Continue to update the QUADCO council on long range transportation planning efforts. Provide support to member agencies for coordination and planning of efforts. Long range transportation planning includes rail freight and port divisions and associated truck parking needs.

Deliverables and Estimated Completion Dates (2025-2027)

CPT-HSTP Plan Updates and Work	2026
WSDOT Statewide Planning Participation	On-going
RTPO Website Information	On-going

C. FUNDING PROGRAMS

QUADCO has the responsibility of periodically awarding federal funds through competitive solicitation. Additionally, QUADCO informs its members of new state and federal funding programs and calls for projects. The tasks and responsibilities are as follows:

1. STBG Set-aside TA Program: Provide services necessary to implement, monitor, and complete processes regarding the STBG Set-aside TA Program.
2. Other and Special Grant Funding Programs: Review opportunities and implement strategies for new funding proposals offered by the Governor and various state agencies. This task also includes participation in the Washington State Transportation Plan Update to understand impacts to planning practice within QUADCO and potential evaluation measures that may be required.
3. Special Grant Funding: Coordinate special grant funding opportunities and processes that may occur.

Deliverables and Estimated Completion Dates (2025-2027)

<i>Product</i>	<i>Timeframe</i>
Surface Transportation Block Grant Set-aside (TA) and other Funding/Special Grant Programs	On-going

D. SPECIAL ASSIGNMENTS ADMINISTRATION

The lead agency will provide oversight and administration for this work. Tasks may be completed by a combination of member agency representatives, committees, and/or lead agency staff working on behalf of, and under the guidance of the QUADCO Council. This work includes:

QUADCO Unified Planning Work Program

July 1, 2025 – June 30, 2027

1. Education Committee: The Education Committee is made up of representatives from each County. The Committee will continue to pursue and schedule outreach events and opportunities to invite, involve, and educate the public on the issues and needs within the QUADCO region.
2. Other Planning Activities: Any other unanticipated participation necessary and specific to the RTP.

Deliverables and Estimated Completion Dates (2025-2027)

<i>Product</i>	<i>Timeframe</i>
Education Committee	As needed
Other Planning Activities	As needed

E. UNFUNDED WORK

WSDOT prefers that unfunded work activities be listed separately. The work listed below is additional transportation planning activities that benefit QUADCO if funding were available. This work includes:

1. Projects and studies that address immediate and/or future investments consistent with the goals and described within the RTP. Estimated cost: varies greatly.

F. ANTICIPATED CONSULTANT CONTRACTS

Portions of the UPWP will be completed through consultant contracts. Below identifies those contracts anticipated.

Regional Transportation Planning	UPWP Projects

ANNUAL REPORTING

QUADCO must report annually through the Annual Performance and Expenditure Report to WSDOT on UPWP progress as required by QUADCO's funding agreement with WSDOT. Performance and expenditure reports for the previous SFY are due the end of September of that year.

QUADCO may contract with another agency or private firm for services to implement tasks identified in the UPWP. QUADCO should discuss the needed contracted services with WSDOT prior to pursuing these services. WSDOT may have the technical resources needed and available. WSDOT must recommend approval of state RTPO UPWP funds before any consultant selection process begins. Subcontracting agreements are subject to specific requirements as outlined in the money agreements. The "Metropolitan/Regional Transportation Planning Organization Two-Year Financial Agreement" provides further requirements and information on subcontracting and purchases.

OUTCOMES

The work elements to be performed are part of the continuing implementation of the QUADCO Regional Transportation Plan. All work and projects to be completed are consistent with the goals set forth in the RTP. The goals of the RTP are consistent with the transportation system goals set

QUADCO Unified Planning Work Program

July 1, 2025 – June 30, 2027

in RCW 47.04.280 and various strategies included in those goals. A summary of the deliverables and products to be produced is included in Table A. QUADCO RTPPO UPWP Deliverables and Budget.

ACCOUNTABILITY

This document is intended to articulate the accomplishments of the RTPPO through the various work elements. To further accomplish that end all invoices submitted for reimbursement are to include brief descriptions of the tasks, accomplishments, and/or outcomes realized.

BUDGET

The QUADCO RTPPO UPWP budget is summarized in Table A.
