**Progress and Schedule Update for**  
**Bucoda S. Main St. Reconstruction Project**

August 25, 2016

Progress:

- We contacted all of our sub-consultants with instructions to stop work on the project and get us any invoices to date to us.
- The invoice from Watershed Sciences was for modeling work completed for preparation of the Flood Authority Presentation on July 21st.

Look ahead schedule:

- Waiting on instructions from the Town of Bucoda/Flood Authority on how they want us to proceed.
