Previous Board Action(s) Taken: Discussion

Key Points for Insert Current Presentation Title Here.

- Project is over \$500,000 and requires the board to take action to approve the funding request.
- The project was recommended for funding by the ASRP Steering Committee.
- Grays Harbor CD is the project sponsor and is requesting approval for \$3,000,000 for Phase 1 construction from the 2023-25BN ASRP Habitat project funding.

Insert Key Point 1

Board approval need for project funding requests exceeding \$500,000. The first meeting is a project introduction. The second meeting is a decision/vote to approve (or not approve) a project for funding.

Presenter Follow Up Actions:

None.
