PASSED

MOTION #1: ACCREDITATION CATEGORIES FOR CANNABIS

Accreditation of cannabis labs shall be in the following matrix categories: Flower, Intermediate Products and End Products.

Flower: Cannabis sp plant material. Not altered or extracted.

Intermediate Products: Cannabis concentrate or cannabis-infused product that must be or are intended to be converted further to an end product.

End Products: A refined Cannabis product that must not or is not intended to receive further processing prior to retail sale.
