

EITE Industries Advisory Group

Agenda for Thursday, December 19, 2024 | 9:00 a.m. – 12:00 p.m.

Location: [Zoom](#), the public may view the meeting in a webinar format

1. Welcome and meeting overview

2. Background and context: Greenhouse gas baselines and benchmarking and the CCA

- Overview of greenhouse gas baselines and benchmarks for EITEs under Cap-and-Invest and related information.

3. California Air Resources Board: Industrial Allocation under Cap-and-Trade

- Presentation and discussion on industrial allocation in California's Cap and Trade Program and development of product-based benchmarks.

4. Colorado Department of Public Health and Environment: Greenhouse Gas Emissions and Energy Management (GEMM 1) rule

- Presentation and discussion on Colorado's greenhouse gas and energy management for manufacturing rule and implementation of best available technology assessments.

5. Stockholm Environmental Institute: Issues and options for greenhouse gas benchmarks

- Presentation on issues and options for developing greenhouse gas benchmarks for EITEs.

6. Discussion: Alternatives for benchmarking EITEs in WA and best available technology (BAT)

- Discuss alternative methods for benchmarking EITEs in WA and role of best available technology assessments as a method for compliance.

7. Questions or topics proposed by members

- Discuss questions or topics proposed by members.

8. Discussion and next steps: Work program for Phase 2

- Discussion on work program for advisory group in Phase 2 (commencing in 2025).

9. Public comment opportunity

There will be a 15-minute public comment period. Public members are welcome to speak for up to two minutes and should focus on the content of the EITE Industries Advisory Group topics. Ecology will not respond to comments made by the public. Members of the public may also provide written comments by email at CCAETEIndustries@ecy.wa.gov or [submit electronic comments](#).

Note: There will be two short breaks scheduled as well.
