 - Poop Bag Dispersal
- Livestock
 - TA, Site Visits, Workshops, Conservation Plans, BMP Installation
- Septic
 - TA, Classes, Inspection Fee Rebate, Financial Assistance for Repair/Replacement

I need to poop while fishing, hunting, or hiking!

I own a property with a septic system!

I own a small farm with livestock... that make lots of poop.

My pet poops, too!

EFFECTIVENESS MONITORING

- Effectiveness Monitoring by Clark County Clean Water
 - Pre/Post Source Removal Monitoring
 - Extended Watershed-Wide Monitoring

PERSISTENCE PAYS OFF

- More grant irons are in the fire.
- Regroup and resubmit this fall.
