**Date of Incident:** 02/11/2023

**Potential Liable Party:** Andy Maradiaga Mejia

**Product Spilled:** Lube Oil/Motor Oil

**Spill Source:** Enterprise rental truck (Commercial Truck)

**Oil Spill Size Estimate:** 25 Gallons

**Water Body Affected:** Portage Creek

**Ecology Region:** NWRO

**County:** Snohomish

**Nearest City:** Arlington

**Location of Spill:** 110 Pioneer Highway E

**Cause:** Unknown

**Ecology Responder:** Andy Quast

**Incident Summary:** On February 11, 2023, the driver of a 26' Enterprise rental box truck crashed through a guardrail and struck a large tree along the bank of Portage Creek. All engine fluids and 25-50 gallons of diesel were released. An unknown quantity of oil products reached the creek, which is fortunately stagnant at this location. Dick's Towing removed the truck and performed initial cleanup of the roadway while US Ecology responded for cleanup.
