

No Orders for #3-7 & MRP

How Pioneer Has Responded

#3-7 Background

- ▶ No orders currently available
- ▶ Grade of convenience– must be resorted
 - Not a program item
 - Unlike OCC or Mixed Paper
 - Program item is #5 Tubs
- ▶ Represents 1–2% of comingled stream

Mixed Rigid Plastics Background

- ▶ No orders currently
- ▶ Not a program material
 - Program items are buckets & flower pots
- ▶ Represents .5% of comingled stream

Response To Lack of Orders– #3–7

- ▶ Packing a separate grade of #5 PP to meet obligations
 - Sorting tubs & ketchup bottles to #5
 - Sorting yellow litter buckets to #5
 - Sorting #7 Arizona Tea to #5!!
- ▶ Landfilling non-program items

Response to Lack of Orders– MRP

- ▶ Found a commercial plastics grade called HDPE Injection
- ▶ Making separate pack of HDPE Injection
 - Includes buckets, milk crates, laundry baskets & lawn chairs & flower pots
- ▶ Landfilling non–program items

Previously Made #3-7 and MRP Bales

- ▶ What to do with previously made #3-7 bales and MRP Bales that contain program items?
 - Pioneer has already reprocessed these bales to sort out the program items
