PILOT PROGRAM, 20 mins

- Pilot Program Plan
 - Goals and objectives
 - Participant list and map
- Program resources
 - Best Practices Guidance
 - Outreach materials for mobile businesses
 - BMPs for mobile businesses
 - Mobile business lists

OUTREACH MATERIALS, 20 mins

- First new outreach item: Mobile Auto Repair
 - Discussion:
 - Consider adding “why it matters”
 - Pressure washing:
 - Unclear message from photo, separate topic, varying regulations among cities
 - Include more BMPs for pressure washing?
- Two additional new outreach items to be developed
 - Survey on new outreach topics
 - Follow-up communications with PPA program and permittees
 - Discussion:
 - Identify priority audience(s)
 - Choose topics with little or no regulations + gaps present in existing materials + high concern for stormwater. Examples: landscapers, painters.

- Businesses that are regulated through other programs/agencies at jurisdictions or other permits: construction, FOG, food trucks.
- Businesses with low concern for stormwater: exhaust hood cleaners, pesticide applicator, solid waste haulers
- Other ideas/topics from survey: tile/marble installers, grease/tallow collectors
- Add QR codes for follow-up links via mobile phone.
- Ecology PPA Program
 - Andy sent the Study team a long email with lots of detailed and helpful advice from PPA experience with developing outreach materials.

WRAP-UP & NEXT STEPS, 5 mins

- Next (and final) TAC meeting: October 2023 (exact date TBD)
- Study team to-do:
 - Study team will meet and develop recommendation for two new outreach topics based on survey, TAC discussion, and PPA program feedback.
 - Prepare draft versions of two additional outreach items
 - Include QR codes for mobile phone access to supplemental materials
 - Re-add Andy Maher to SharePoint
- TAC members to-do:
 - Take [survey on new outreach materials topics](#) (if you haven't yet)
 - Review the draft [Best Practices Guidance document](#) (if you haven't yet)
 - Review additional new outreach items as they are ready.
