

S&T Scientists Team Meeting Agenda

Thursday, October 23, 2025, 1:30 - 3:00 pm

Group Purpose

To bring together regional scientific expertise to guide long-term monitoring programs and support collective learning about improved stormwater management.

Meeting objective

- Get ready for the November SWG meeting
- Start contemplating analysis methods

Background Materials

- Draft slides for Stormwater Work Group presentation on Nov 12 (emailed and attached to meeting invite)

Agenda

1. Finalize presentation to Stormwater Work Group
 - We'll focus our review on slides 22-30
 - Feedback or suggestions on draft presentation?
2. Preliminary data exploration
 - Time series, box plots, cumulative distribution function plots
3. Open time – if you have an agenda item to add, please reach out to Chelsea

Next Meeting

- Presentation on documenting stormwater control measures with King County
- Report back from Stormwater Work Group Meeting
- Meetings in 2026 – Please think about the frequency and format you'd like to see for our future meetings.
