- Human Health Criteria
• Finishing up the final technical work and doing QA work on the automation tool and results.

• Internal and tribal review early next year with the goal of starting the formal public review in April of 2021.

**GOAL**: Submittal to EPA early fall 2021
Voluntary Clean Water Guidance for Ag

Ben Rau
General Permit Updates

Nate Lubliner
Overviews of Partnership Survey

Colleen Keltz
Survey Summary

Thank you to everyone who took the survey

- 25% response rate
- 84 listserv subscribers, 21 responses

Overview

- Majority of responses encouraged us to build participation/expand attendees
- Establish regular meeting schedule, keep length
- Continue to provide WQ updates
- Use more visuals
- More interactive meeting formats
- Desire to provide early input, policy insights, decision making
What we heard

Easy adjustments

- Regular meeting schedule. Propose 3rd Thursday of the month, 2 hours, 10am - Noon
- Increase use of visuals / handouts
- Encourage diverse representation
- Put a call out on the general WQ info listserv and other targeted listservs to ‘advertise’ the partnership.
- Ask: encourage others in your network to participate.

We also heard

- More deep dives
- More interaction and discussion
- Presentations from organizations other than Ecology
- Opportunities to help guide decision-making, be involved in policy decisions early on
- Updates on process improvement
Wrap Up

Vince McGowan
