- Relates to Charter Goal/Objective bullet #2: "To help establish commitment across the state to responsible recycling..."*

Discussion of everything we have seen that day:

...what does this mean, what do we want to do with this knowledge? Is there a goal we want to adopt to address this issue? How should we establish this in the document RSC will be creating?

Relates to Charter deliverable: "The Steering Committee will draft a report that includes recommendations and proposed actions for policy makers, local and state governments, recycling program planners, private industry and the public that will address the short-, mid-, and long-term problems."

Summary, Next Steps; Next Meeting (Facilitator)

- What high level items did we discussed and decide on?
- Review outline for the next meeting
- What are the action items from this meeting?
