South Node - Public Works Yard
VISION FOR FUTURE USE
BOUTIQUE HOTEL
The Hilton Garden Inn slated to occupy the empty gravel lot adjacent Pybus Public Market has inched a little closer to reality.

Spokane-based A&A Construction filed a SEPA (State Environmental Protection Agency) application with the city on Monday. A&A bought the 3-acre parcel from the city in May for $1.3 million.

According to filing documents, the four-story, 177-room facility would create 35 to 40 jobs.
MANAGING RISK

FUNDING
- Integrated Planning Grant
- Remedial Action Grant
- Local Revitalization Financing
- City Funds

ADMINISTRATIVE PATHWAY
- Voluntary Cleanup

CLEANUP
- Dig & Haul
- Capping

Re: No Further Action at the following Site:

Site Name: Wenatchee City Public Works
Site Address: 25 N. Worthen Street, Wenatchee
Facility/Site No.: 98691464
VCP Project No.: CE0397

Dear Mr. King:

The Washington State Department of Ecology (Ecology) received your request for an opinion on your proposed independent cleanup of the Wenatchee City Public Works facility (Site). This letter provides our opinion. We are providing this opinion under the authority of the Model Toxics Control Act (MTCA), Chapter 70.105D RCW.

Issue Presented and Opinion

Is further remedial action necessary to clean up contamination at the Site?

# NO. Ecology has determined that no further remedial action is necessary to clean up contamination at the Site.

This opinion is dependent on the continued performance and effectiveness of the post-cleanup controls and monitoring specified later in this letter (p. 6).

This opinion is based on an analysis of whether the remedial action meets the substantive requirements of MTCA, Chapter 70.105D RCW, and its implementing regulations, Chapter 173-340 WAC (collectively "substantive requirements of MTCA"). The analysis is provided below.
