

Washington Department of Ecology
Legacy Pesticides Working Group
 FINAL Agenda

Thursday, February 6, 2020 | 10:00 a.m. – 2:00 p.m.

Washington Department of Ecology – Union Gap Location, 1250 Alder St, Union Gap, WA 98903

Purpose of Meeting: The purpose of this meeting is to convene the Legacy Pesticides Working Group, provide background information on the current status, ask questions about the issues, and discuss future decision-making efforts of the Legacy Pesticides Working Group.

Given the large number of participants we have, our goal is to get everyone on the same page in terms of information and education. Rotating through stations with specific topics will allow us to break up the group, and have a more interactive experience.
