  Questions |
| 5:00 p.m. | Adjourn | |

**Questions for Discussion:**

1. **Review Ecology mapping**  
   a. How do we roll out/inform the public about this resource?  
   b. Is there specific, deliberate outreach re: mapping tool to realtors, lenders, appraisers?  
   c. Do you have issues with the maps, and what are they?  
2. **Review existing outreach materials**  
   a. What are the most important messages we want for our region?  
   b. Are the existing/proposed messages effective? Informative? Easy to understand?  
3. **Discuss outreach strategy**  
   a. Who are the different audiences for the outreach efforts?  
   b. Who should be the messengers taking the information out to the different audiences?
i. What specific groups should we work with to conduct outreach? What are reliable and trusted sources that can help us communicate?
c. What are the best methods for outreach?
