

Notes:

1. This map displays data from the King County permit-exempt well potential assessment and Snohomish County rural capacity analysis for the unincorporated portion of the counties. This map does not reflect the 20 year estimate for new, domestic permit-exempt wells in WRIA 8.
2. The locations of all features shown are approximate.
3. This drawing is for information purposes. It is intended to assist in showing features discussed in an attached document. GeoEngineers, Inc. cannot guarantee the accuracy and content of electronic files. The master file is stored by GeoEngineers, Inc. and will serve as the official record of this communication.
