

The map displays the Green River Subbasin Delineation, which is divided into 10 numbered regions. The regions are defined by black outlines and are numbered as follows:

1. Puget Sound Tributaries
2. Duwamish
3. Lower Green
4. Big Soos Creek
5. Lake Sawyer Tributaries
6. Crisp Creek
7. Mid Green Valley
8. Middle Green
9. Newaukum Creek
10. Upper Green

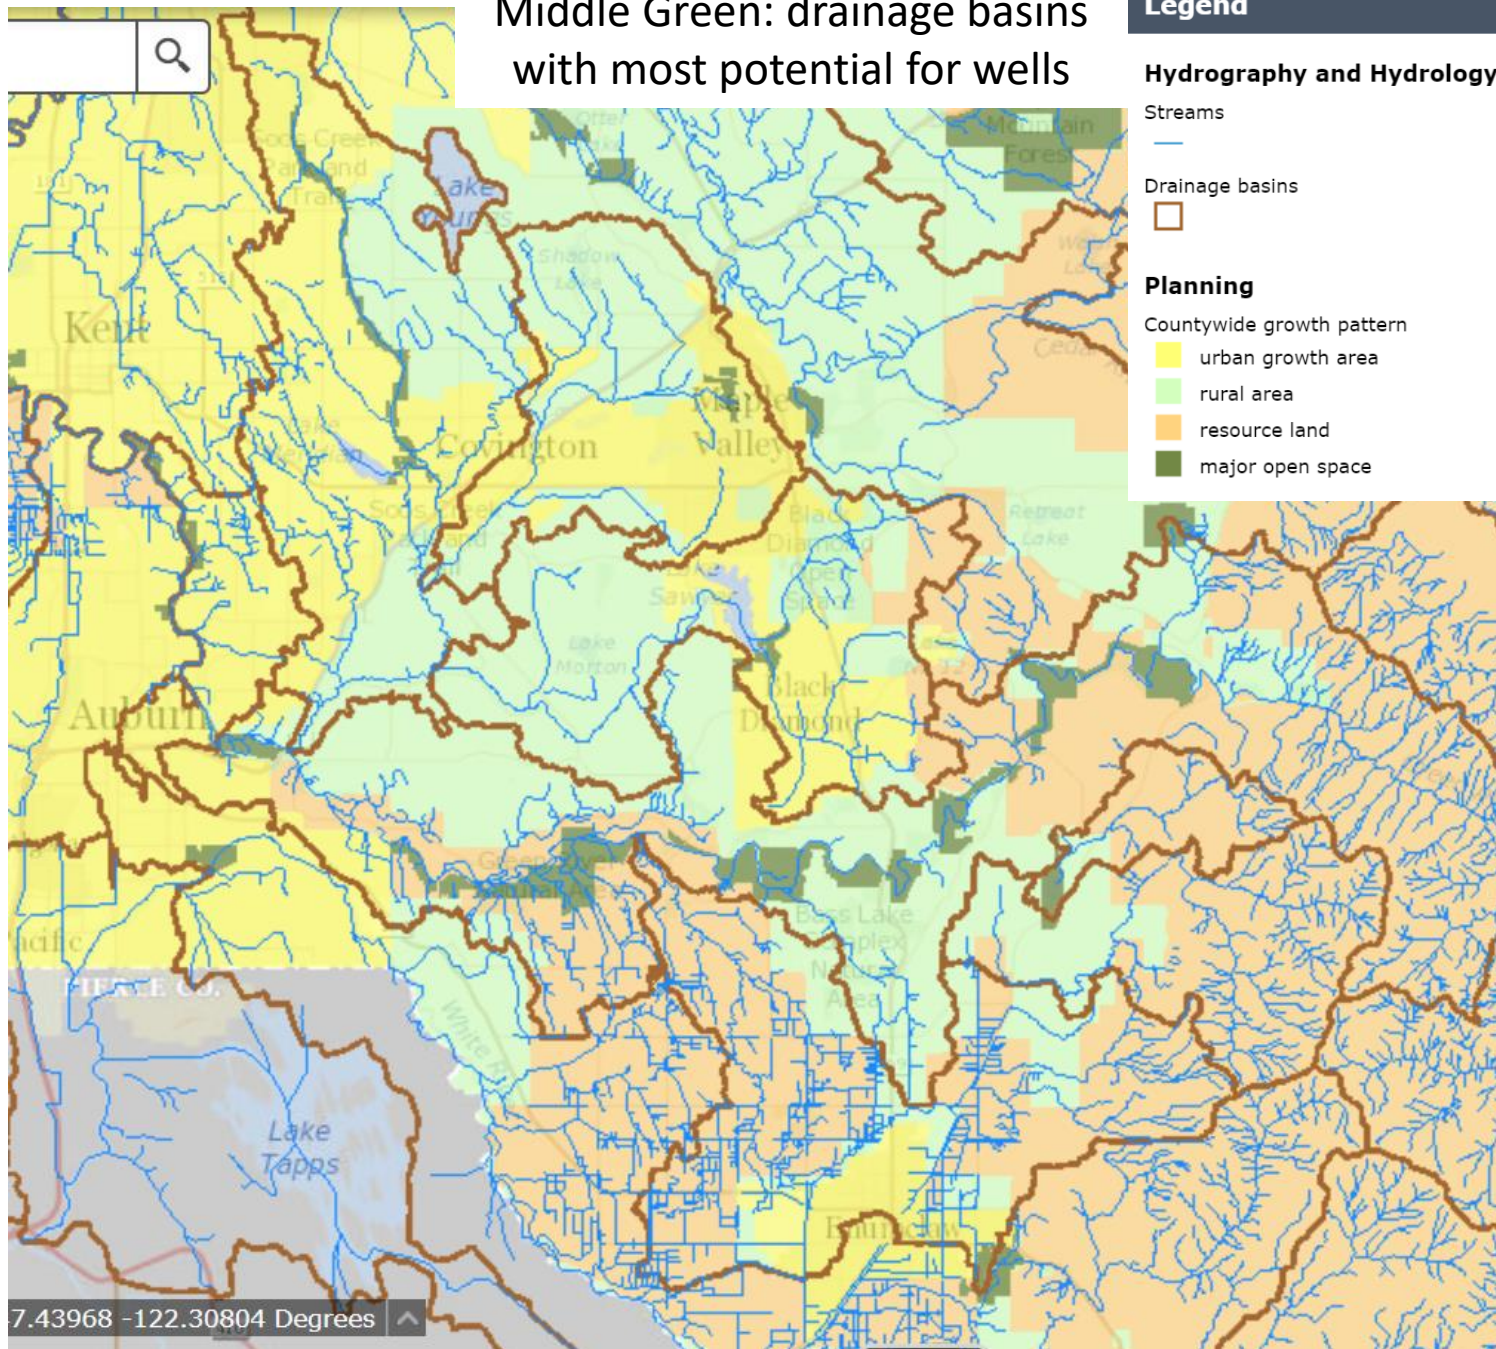

The map also shows various geographical features, including Lake Washington, Lake Youngs, Lake Meridian, Lake Tapps, and Lake Harrison Reservoir. The background is a topographic map with brown contour lines and blue water bodies.
