The screenshot shows the 'Call in' dialog box in a WebEx application. It is divided into two main sections: '1. Call' and '2. Enter'. Under '1. Call', there are two options: 'US Toll' with the phone number '+1 415-655-0001' and 'United States Toll (Seattle)' with the phone number '+1-206-207-1700'. Below these is a link that says 'Show all global call-in numbers'. Under '2. Enter', there are two fields: 'Access code' with the value '281 408 072 #' and 'Attendee ID' with the value '30 #'. A yellow arrow points to the 'Attendee ID' field. To the right of the dialog box, there is a text box with a blue border containing the following text:
