## Discussion Topics:

1. Current events and updates
2. Web-based well reporting progress (My Driller Portal)
3. RCW changes – how do we get there from here?
4. Dispose of well tags after decommissioning
5. Lost a well tag – should Ecology issue a new one?
6. Decommissioning complex wells with multiple casings
7. Geothermal water wells – downhole heat exchange systems
8. Well tagging app - a mechanism to document old wells
9. Uncontrolled flowing well preparedness
10. BMPs for water well seals – how to prevent a mishap (can't remove surface casing, hydrating bentonite before surface casing is removed)
11. Open forum
