Discussion Topics:

1. Current events and updates
2. Web-based well reporting progress (My Driller Portal)
3. Should licensing be simplified by just issuing one license?
4. Allowing monitoring well installation given the results of soil boring data
5. Horizontal/directional drilling discussion
6. Current RCW changes – what TAG and the WSGWA has already developed
7. Additional RCW changes TAG would like to sponsor, if any
8. Ecology's written and onsite examinations – making changes
9. Securing funding for special decommissioning projects
10. Open forum
