Logistics

- With the recent extension of the ‘Stay Safe, Stay Home’ order and ongoing presence of COVID19, we will be using Zoom as our platform for this meeting.
- If you have any technical questions, please email mbanales@rossstrategic.com.
- The STAG member list is available on [STAG’s website](#)

Members of the public...

...**Can provide public comment through Zoom.** During the public comment period near the end of the meeting; please limit your comments to three minutes. All comments will become public record.

All attendees will be mute. For all public attendees whether by phone or computer, we will have your phones and computer microphones automatically muted, and we will only activate your microphone when you are called on to speak. If you are called on to speak, you will need to make sure you also have your phone unmuted.

We will be using the hand raise feature during the public comment portion of the meetings. If you would like to provide public comment please raise your hand. If you are on the computer, the “raise hand” button appears under your name. If you are dialed into a phone only, please press *9 and wait to hear “you have been unmuted” – that is your indication it is your turn to speak. We will call on people individually, either by name or the last four digits of your phone number when it is your turn to speak.

Note that we will only be using the Q&A box for technical issues and will not be taking written questions or comment. If you have any technical questions, email mbanales@rossstrategic.com

...**may provide brief written comments** to Facilitator [Elizabeth McManus](#) before the meeting to be read out loud during the public comment period. Comments received after the meeting will be appended to meeting notes. We will not be able to accept comments received by “chat” during the online webinar. All comments will become public record.

...**can observe the meeting through a Zoom webinar.** Online observers will be muted. We will not be able to accept public comments submitted by chat through the webinar.
