I have one main comment on the proposed comp plan update. I own the property south and west of Rd 100 and Chapel-hill. The entity that owns the property is Rocky Hills Management LLLP. On the future use map its shown as residential medium density. It's currently zoned commercial. In fact we sold a parcel which currently has a bank, dental office and an accounting office built and have operated for several years. We have no intention of giving up the commercial zoning. Could you please revise the plan to reflect this.

Thank you
