Description of proposal – A Comprehensive Flood Hazard Management Plan has been prepared to address localized flooding within the City of Westport, to review flood risk reduction activities, provide risk management strategy and to create an implementation plan addressing these issues. This Plan is intended to be supplemental to the Westport Annex provided as part of the Grays Harbor County 2024 *Multi-Jurisdiction Hazard Mitigation Plan Update*.

Location of proposal – City of Westport

Proponent – City of Westport

The City of Westport has determined that this proposal will not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030. We have reviewed the attached Environmental Checklist. This information is available at: [https://www.ezview.wa.gov/site/alias\\_2015/42990/library.aspx](https://www.ezview.wa.gov/site/alias_2015/42990/library.aspx)

This determination is based on the following findings and conclusions:

The project qualifies as a determination of non-significance as it is a planning document with proposed mitigation measures for improving localized flooding within the City.

This DNS is issued under WAC 197-11-340(2) and the comment period will end on 5/24/2025.
