Tom,

Thank you for your letter. We will post what you request to the GPT MAP Team website.

We are concerned that some members of the public think the process is further along than it is, and would like to make sure that there is a good understanding of the MAP Team process. I will contact you early next week to see when we might set up a meeting to chat about this.

Thank you,

Jane

Subject: For Gateway Meeting April 28, 2011

Dear Ms. Dewell and iMAP Agencies and Participants,

Please review the attached cover letter, press release/comment, and attached Appendices related to the proposed Gateway Pacific Terminal Expansion. We request your review as part of your background work discussed at your April 28 and subsequent meetings.

Thank you.
